Product Summary

For the true romantic. The Anneliese Wedding Band was designed to look fabulous beside the Anneliese Engagement Ring, but has more than enough star power to shine on its own.

Product Description

For the true romantic. The Anneliese Wedding Band was designed to look fabulous beside the Anneliese Engagement Ring, but has more than enough star power to shine on its own. With a cable-like pattern of subtle twists, and the not-so-subtle fire of its pavé set diamonds, the effect is so unique, nothing compares. Hand crafted in either Platinum, 18K Gold or 14K Gold.
