Product Description

A stepped edge makes the Clay Men's Wedding Band subtly different. Clay is part of our Cooper Collection, with a distinctly modern feel. The 6mm Clay band is unique, yet understated. Created with extreme attention to detail, each Clay band is polished for hours on end to create the perfect finish. Clay is available in multiple widths, and with or without diamonds. 100% hand crafted in either Platinum, 18k Gold, 14K Gold or Palladium.
